Deadly song

Tennant Creek singing sensation Kylie Sambo is now on YouTube.

Kylie, a member of local girls' band the TCG'z, belted out her protest song against the proposed nuclear waste dump site at Muckaty during the Desert Harmony Festival in early September and later on in Alice Springs for Desert Divas.

In partnership with Barkly Regional Arts, Beyond Empathy filmmaker Polly Armstrong captured Kylie's strong lyrics in a video, featuring the audio of Muckaty Traditional Owner Dianne Nampin Stokes.

Mixed and mastered by Winanjjikari's Jeff McLaughlin, musician John Butler is raving about the clip and Triple J Unearthed will be giving the track some airplay.
